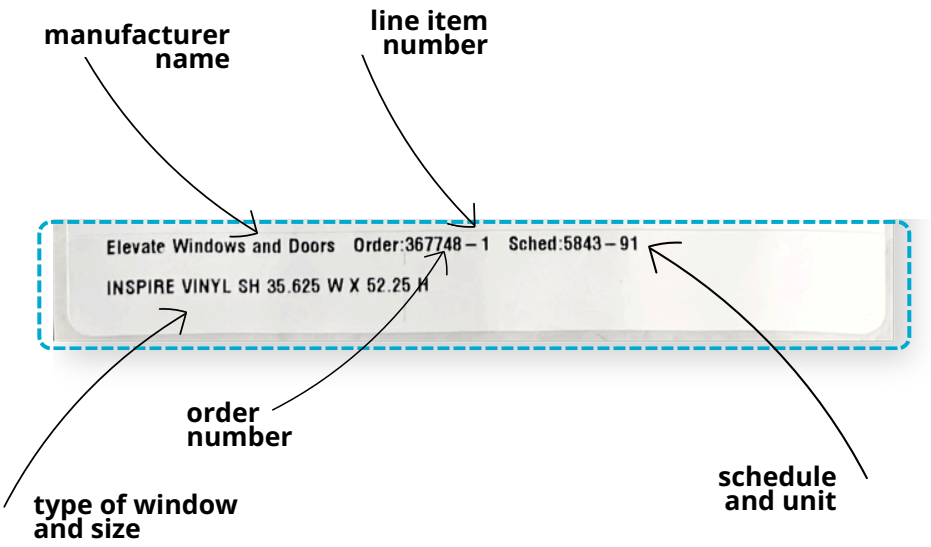
WARRANTY LABEL:
HOW TO FIND THE SPECIFICS ABOUT YOUR WINDOW ORDER



At the top of the window, adjacent to the gold AAMA label, you will find a small warranty label that serves as a convenient resource for construction and/or homeowners seeking information about their original window order.

This label contains all of the essential details needed for identifying the product, including:

- **manufacturer name**
- **order number**
- **line item reference**
- **window type and**
- **size measurements**

With this information, you can easily contact Elevate Windows and Doors for any inquiries.
